AVAILABLE FOR KINDERGARTEN TO YEAR 12

Bursaries

We have several bursaries covering all fees and costs with regards to education at St Joseph's College in Albany. We are able to accept children in all year groups from Kindergarten to Year 12 and have the capacity to accept multiple children from the one family.

To qualify for a bursary parents/ carers needs to be able to demonstrate that they have limited family income. We understand that through circumstance anyone can find themselves in financial hardship. Quite often people despite being in financial hardship don't qualify for government assistance or a Health Care Card. Bursaries can be ongoing for many years lasting for as long as the families require assistance.

St Joseph's College has Indigenous Bursaries available. Catholic Education WA has a comprehensive indigenous educational support system in place and St Joseph's College Albany has Indigenous Education professionals who incorporate all cultures with modern learning.
