Frequently Asked Questions

- **Does my Device need to be set up for the College network?**

Yes, all new devices need to be configured by the IT Department for the College network. Your device can be dropped off at the College, with the form below, from the 4th of January 2022 to ensure it is ready for the start of the 2022 school year.

- **Do I need to purchase Microsoft Office?**

No, the College will provide and install Microsoft Office.

- **Does the College offer any Internet Filtering?**

Yes, Cyberhound Roam Safe internet filtering software will be installed when your computer is configured for the College network. This software is password protected and can only be uninstalled by College IT Staff. Please ensure you arrange to have this removed before leaving the College.

- **Does the College offer any Anti-virus?**

Yes, if your computer doesn't have an active Anti-Virus subscription the College will install and configure Windows Defender Advanced Threat Protection.
