REFLECTION

Prayer for Responsibility

*O God, you have bound us together
in this bundle of life:
give us grace to understand how our lives
depend upon the courage, the industry,
the honesty and the integrity of others;
that we may be mindful of their needs,
grateful for their faithfulness, and
faithful in our responsibilities to them.*

Reinhold Niebuhr

FROM THE PRINCIPAL

Dear Parents, Guardians, Families, Students and Members of our College Community,

The following reflection appeared in a Parish Sunday bulletin and provides much food for thought.

If parents would like some further reading on this subject there is a fine chapter in a book by William O'Malley called 'Converting the Baptised'. The chapter heading is 'Mass and Teenagers' and it can be made readily available to anyone who would like a copy by contacting the College Office.

"...Nothing is more painful to parents today than the rejection - or disinterest - by their older children in church, religion, worship and all the outward expressions of faith! This phenomenon is everywhere.

There are two things to remember, two sobering facts of spiritual life. One is that no human being can give faith to another no matter how much loved. All that we can do is present God's invitation to faith in as attractive and genuine way as possible. The response is personal and unique and not ours to dictate or meddle in.

The other fact is that spiritual development is lifelong and growth toward faith can take a lifetime. There may be necessary experiences of living and suffering through which a person has to pass before he or she is free to respond to God. If God is prepared to take a lifetime getting in touch with someone, it is not for us to become depressed or angry or guilty because a son or daughter (or even a husband or wife) show little sign of spiritual awareness for many years.

Children aren't solely products of their parents, they are unique individuals with aspirations and faults of their own. Each one has his or her own private pilgrimage to make.

Parents can assist: they can not conduct it or guarantee the outcome."

MEET THE STAFF

Katherine Eastwell

After meeting Matt (my Australian husband) in 2005, I moved to Perth from the US.

I completed a Graduate Diploma in Education and began teaching English at Eastern Hills SHS in the Perth Hills.

We moved down south at the beginning of the school year after purchasing a vineyard in Forest Hill. Matt's passion is winemaking/viticulture and we plan to create our own wine label in a few year's time.

I am teaching Drama and English at St Joseph's College. This is my first year teaching Drama, but I've taken to the programme wholeheartedly.

I'm thoroughly enjoying my work at St Joseph's College. The staff have been so welcoming and my students are genuinely lovely.

COLLEGE NOTICES

ACC Swimming Carnival

The Year Eight-Twelve swimming team for the ACC Swimming Carnival will be leaving next Tuesday 11 March for the E Division swimming carnival to be held at Beatty Park Pool on Wednesday 12 March. The team were selected based on the results of the Inter-House carnival at Mt Barker in Week Two. The students look forward to the opportunity to compete in the carnival despite the fact that they haven't been able to train due to the Albany Leisure and Aquatic Centre pool closure. We wish them the best of success for the carnival next week.

Mr Paul O'Donnell - Physical Education Teacher

SunSmart Cricket Competition

The first game of this competition was played on the showcase turf east wicket at 9.00am on 29 February against the Mount Barker side.

Batting first on a damp, seaming wicket, St Joseph's were soon in trouble at 5 for 27. With most of the better batsmen out, the middle order, particularly the Parker brothers, teamed up well to achieve the modest total of 87 after 30 overs. This proved sufficient as the Mt Barker team were rolled for 62 runs thanks to excellent bowling from Bronson Leo, Carden Taylor and Gerry Reilly.

The second game against Great Southern Grammar was a completely different situation with the wicket now dry and flat due to the hot weather. Batting first the Grammar openers proved difficult to shift and enabled the team to score 130 from their 30 overs despite losing late wickets. Cameron Newbold grabbed 5 late wickets in his bowling spell. Carden Taylor and Bronson Leo opened the batting against hostile Grammar bowling and despite the age difference were able to lay a solid foundation for the run chase. Gerry Reilly also batted well to give St Joseph's a chance but was out in an attempt to lift the run rate. The team fell twenty runs short of the required total but were far from disgraced against a fresh and older Grammar side. The team fielded enthusiastically throughout the very hot conditions and played both games in excellent spirit.

COLLEGE NOTICES

Captain, Dale Quain did an excellent job in leading the side aided by his Vice Captains Gerry Reilly and Jake Pollard. My thanks to the attitude and application of all players.

Year Ten Outdoor Education Hike

On Thursday 28 February, our Outdoor Education class went on a fourteen kilometre hike at the Luke Pen Walk on the Kalgan River. The purpose of the hike was to prepare ourselves and pack our rucksacks as though going on our two day one night expedition which is coming up in Term Two. Essential items that were checked prior to departure were raincoats, hats, 2 litres of water, basic and personal first aid requirements. The idea was also to work as a team, as well as utilise skills we have learned so far this year.

SENIOR SCHOOL NEWS

The walk was a good experience and many skills were learned along the way. To test us, we were thrown into some mock first aid scenarios along the route, and also had time for a swim in the Kalgan River. This was particularly enjoyable, considering how hot, sweaty and tired we all were.

We all enjoyed the hike and hope to have the experience again.
